

## Making the Most of Poca High School

It is our belief at Poca High School that the most enriching and rewarding experiences are when **YOU** get involved and when **YOU** are committed to success. Finding an organization/club/activity or sport in which to participate can be overwhelming when starting high school. However, getting involved is the best way to enhance **YOUR** high school experience. **You** will meet new people with similar interests and expand **YOUR** knowledge.

**GET  
INVOLVED!**
